

SAVE \$15 OFF PROFESSIONAL ROOTX APPLICATION!

If roots have invaded your main line you know just how frustrating it can be. Perhaps you've been told to replace your entire sewer line at 1,000's of dollars. But that may not be your only choice.

For over 25 years, RootX has been used to treat root intrusion in sewer lines. Used annually, it will *prevent* the regrowth of roots.

Have our plumber apply RootX for you today and **SAVE!**

NOTE: Cannot be used in conjunction with any other offer or discount. Mechanical root cutting is necessary before RootX application if sewer line is blocked or partially blocked with roots. Must be applied by Plumb Perfect. EXPIRES Aug. 31/20
